

Message from the Board

As 2022 comes to an end, it is with great joy that we look back to celebrate our accomplishments and extend our heartfelt appreciation for all your support.

Thank you for joining us in our tree walks, summer events and for participating in Branch Out Sunnyvale (BOS) program, to name a few.

Sunnyvale Urban Forest Advocates (SUFA) is fortunate to have a wonderful group of volunteers who helped organize events throughout the year.

As we move forward to 2023, let us all work together to protect, preserve and increase the urban forest footprint of our beautiful Sunnyvale neighborhood.

Wishing you and your family a happy and safe holiday season!

May your days be Merry and Bright!

What an amazing and busy year!

It was so wonderful to meet so many people in our community whose passion is to care and protect our magnificent trees. We would like to share what Sunnyvale Urban Forest Advocates (SUFA) has been up to.

2022 Highlights

9 Tree Walks

1

Tree walks are a great way to know the trees in our parks. We also had an edible tree walk led by a Permaculturist & saw over 40 different edible trees and bushes.

2

400 E-Newsletter Subscribers

Published quarterly to keep you informed on how you can participate in SUFA's efforts to increase the tree canopy in Sunnyvale through education, tree plantings, and advocacy.
